

**REFRESHER HACCP Training 2.5 hr**  
**Accredited by the International HACCP Alliance**

The HACCP Refresher training course is designed to refresh your knowledge on developing, implementing and maintaining a Hazard Analysis Critical Control Point (HACCP) system. Buyers, Audit Schemes require that you refresh your HACCP knowledge.

This class is **not** recommended for people who have not worked on HACCP/Food Safety Plan development or implementation in the past.

This course is intended for people who have taken an Accredited 2-day HACCP training but the training was 3- 5 years ago. Again, this is just a **refresher** course.

Wednesday May 8, 2024, OGVG Boardroom 1pm to 3:30pm

At the end of the refresher workshop a certificate of completion will be provided

Rose Martin of Martin Food Safety Consulting is the Approved HACCP Trainer.
